Observation

Jesus said "Lazarus is dead, and for your sake I am glad I was not there...." Does that sound a bit harsh? Why didn't Jesus go to his friends when Lazarus was so sick? Would you have visited your family/ friends if they were ill?

Application

- There are three very interesting parts to this text.
- 1) Jesus delaying his visit to Lazarus until after Lazarus was dead. Why do you think Jesus did that?
 - 2) Jesus Weeping. Why was he weeping?
 - 3) The calling out for Lazarus to "come forth" out of the tomb. Also loosing his grave clothes to set him free. What do those words mean to us today.

WE BELIEVE that Jesus Christ is the Son of God, the Lord of life, and the savior of the world; that He died on the cross for the forgiveness of all human sins; that He rose from the dead and is coming again in glory.

WE BELIEVE that in the meantime, Jesus wishes to be remembered by believers partaking of the bread and wine, which He proclaimed to be His body and His blood shed for the forgiveness of sin.

WE BELIEVE that He is really and mysteriously present in the Holy Supper; that to dine with Him affords us the opportunity to confess our sin, seek to be changed by the Holy Spirit, and celebrate the unity we have with all believers in Christ.
